*Earth Hour is celebrated worldwide, once a year in March. Hotel Verde holds an Earth Hour event for this celebration and extends the support by celebrating an Earth Hour dinner weekly. The evening aims to show support for the global movement started by WWF to educate people on the energy crisis that we face.*

*Every Thursday evening, all non-critical equipment and lights are switched off from 7PM - 9PM during dinner. We offer a specially selected menu for the evening, which uses no electricity in the cooking of meal. Solar jars and eco-friendly candles set the mood for the guest to enjoy whilst live music plays in the background.*
